This deceptively large end-unit townhome in Crozet is a must-see! As you enter this light filled home, the hardwood floors and neutral paints throughout the main level welcome you in. To the right of the foyer is the large kitchen with painted cabinets and stainless steel appliances. There is space in the kitchen for an island workstation and/or eat-in cafe table beneath the large picture window. Large pass-through from the kitchen opens to the formal dining and living rooms. Living room features gas fireplace with built-in storage and display shelves. The living room opens to the covered front porch with mountain views overlooking the green common area with fire pit and grill. Upstairs, the primary bedroom features a walk-in closet, and private bathroom with double sink vanity and tub/shower. Two additional bedrooms with large closets share a full hall bathroom, and the laundry is upstairs for convenient laundry day. Unload groceries with ease from the dedicated parking spot directly in front of the home.
